Position Title: Underwriter

Opportunity Location: Davenport, IA

Preferred Experience & Skills:

- Bachelors Degree or equivalent work experience
- 0-8 years of related work experience
- Previous insurance underwriting experience
- Completion or in the process of taking Insurance courses such as IIA and CPCU preferred
- Demonstrated knowledge of specific product line insurance concepts and terminology
- Comprehensive knowledge of reinsurance procedures
- Effective analytical, human relations, and communication skills
- Limited travel

Position Responsibilities:

- Works closely with sales personnel to obtain information needed to properly underwrite, price, and program individual policies/accounts
- Through the use of manuals, established procedures, and information collected works on the more complex underwriting assignments. Refers business outside of authority limit to Manager or Director
- Responsible for placement of the more complex, larger reinsurance assignments
- Work closely with other business Products functions to ensure service and quality objectives are met. These units include rating, general services, audit, safety sciences, customer accounting and customer service
- May be assigned project work requiring a proficient level of technical knowledge to handle the more complex and larger assignments

- May participate in audits or policy construction reviews
- May provide desk coverage for the Manager
- May handle the more difficult bond and reinsurance assignments
- May travel to agency/insured to present issues and opportunities that affect efficient services, profit and growth objectives, and the promotion of specific insurance products
- Trains other underwriters, give presentations and conduct training on underwriting procedures
- Attends sales team meetings to meet and confer with Sales Representatives/Account Managers in pursuing new accounts
